27 of the 63 members have paid 2017 dues.

Web Master Report - Jim Landry:

Reach a Facebook milestone of 200 followers. Currently have 201 followers. Increase has been about 1 follower added a week over the last two years. Continue to receive request for help from the general public through Facebook - Screen shop looking for someone to build wooden screens, request for help using a lathe to turn a bowl.

V.P. Report - Bob Chambers:

Distributed 2017 club meeting schedule including meeting site and skill topics. Thanks to the meetings committee for their hard work - Jack Carmena, Kesh Ikuma, Curtis Dawson and Shawn Walker. Schedule is posted on club web site.

The 2 by 4 Challenge this year will be split into 2 separate challenges. The 2 by 4 Challenge remains unchanged in that what ever is built must be built from a single 8 ft 2 x 4. The other challenge will be a toy building challenge. The toys may be built from any material. The intent is to make the toys more innovated varied. Both challenges will be reviewed at the November meeting. All toys will be donated to area organizations.

Selection of Members at Large will be changed so that if the out going president is a one term president then the out going president will automatically be one of the three Members at Large. The intent of this change is to increase the continuity of the club board.

Board selection process will begin in September instead of November. This

change will allow more time for the nominating process.

We are trying to better organize the Show and Tell process. Will use the video equipment so that everyone has a better view and ask that meeting host supply a space for the Show and Tell objects.

Service Projects Report - Lee Owens:

No new project at this time.

New Business: A motion was made stating that the club president and treasurer are the only club member authorized to write and sign checks drawn on the club's bank account. Motion was seconded and approved by the attending members.
