

BR Woodworking Club Meeting Minutes  
March 04, 2017  
Location: Terry Landry's Shop

Welcome, President Hays Town

Invocation - Alvin Fort  
Pledge of Allegiance - Club

Secretary Report - Roy Smith:

Treasurer Report - Jim Landry subbing for Warren Dufrene:

Starting Balance - \$2,637.32

Deposit - \$370.00

Spent - 0

Ending Balance - \$3,007.32

47 of the 63 members have paid 2017 dues.

Web Master Report - Jim Landry:

Power tools and dust collectors posted on Swap Shop page. Power tools sold almost immediately.

Posted an article about veneering, inlays and sand shading on website and Facebook.

Web site password will be changed today (3/4/17). Look for email with new password.

A non-club member contacted the club stating that He was trying to sell 11,000 board feet of Black Walnut lumber. No price or minimum amounts available at this time. As more information is obtained, it will be posted on the web site.

V.P. Report - Bob Chambers:

Show and Tell sign up sheet passed around. The sign-in sheet will be modified to include a Show and Tell check box. This is an effort to make the Show and Tell part of the meeting more organized and hopefully operated more smoothly.

Officers meeting after the club meeting.

Mini workshop (Sharpening Plan Irons) will be held at 9:00 am on 3/18/17 at the Rural Life Museum on Essen Lane. Will be set up at the entrance on the front porch. Mark Monistere will present a short presentation followed by hands on sharpening experience for those in attendance. Attendees are encouraged to bring plan irons and sharpening stones.

## Service Projects Report - Lee Owens:

Terry Landry - Flowers Solution Academy in Clinton has decided that 4 bookcases is what they want club build. Projects may begin in 2 or 3 weeks. When the details are worked out, the information will be posted on the web site.

Safety Topic : Eye protection. Safety glasses are not always enough protection. Goggles or a face shield should be added to safety glasses depending on the activity. Call you eye doctor for any eye injuries. The ER is not the properplace to handle eye injuries.

Skill Topic : Making Coved Molding on the table saw - Terry Landry
