

BR Woodworking Club Meeting Minutes
June 03, 2017
Location: Alvin Fort's Shop

Welcome, Vice President Bob Chambers

Invocation - Alvin Fort
Pledge of Allegiance - Club

Treasurer Report - Warren Dufrene:

Starting Balance - \$3,007.32
Deposit - \$140.00
Spent - 0
Ending Balance - \$3,147.32

Web Master Report - Jim Landry:

Filed annual non-profit paper work with IRS;
Renewed domain name for club's website;
BRWC Forum had around 20 different post last month. Each post should trigger an e-mail from WordPress to each member. If you are not receiving these e-mails, please contact Jim.
2 Tips/Techniques articles posted last month:
Cleaning saw blades using Mean Green cleaner by Bob Chambers
Epoxy Finish by Bob Chambers and Keith Bryan
Posted YMCA project pictures and Freshwater School Thank You note pictures to the Photo Gallery;
One request from public for someone to build an early-american type shelf.
Trying to find the best way to put the BRWC logo on the community service projects that the clubs builds. Branding is difficult to do properly. Paper stickers are a possibility. Aluminum Sheets that can be printed on using an Ink-jet printer and can be purchased for about \$0.40 apiece may be a middle ground. Laser engraving is to expensive.

V.P. Report - Bob Chambers:

Maker's Fair - Jim Landry
Jim Landry leading the effort to prepare for the Maker's Fair to be held on Oct. 21, 2017 at the EBR Main Library. If interested in helping to man the booth please contact Jim.

West Baton Rouge Parish Museum - Mark Monistere
The Museum wants to form a partnerships with the club in order to be able to present wood working demonstrations for visitors and as part of their summer

camp/classes. The Museum has set aside a room and some tools for this use. Looking for club members to help support this effort. Building a workbench is the next step. Also looking for help in putting together a demonstration for a summer camp later this month. If interested contact Mark.

Service Projects Report - Lee Owens:

YMCA project - building various furniture to replace things damaged in the flood. Report for each group building this furniture.

Skill Topic : Cabinetry
