

BATON ROUGE WOODWORKERS CLUB - MEETING AGENDA Saturday, October 5, 2019

Meeting Location: Iberville Visitors Center – North
17525 Highway 77
Grosse Tete, LA

This month there will not be a formal club meeting. Instead the club will staff a booth to help kids assemble birdhouses at the **Iberville Swamp Life Expo** (Swampfest). Our booth will be open from 10:00 a.m. until 2:00 p.m., or until we run out of kits. There will be no club business conducted and no Show-and-Tell.

All members are encouraged to attend, and families are welcome.

The event officially begins at 10:00 a.m., but **please plan to be there by 9:00 a.m.** with your birdhouse kits, tools, benches, and anything else that you have committed to bring with you.

We have always been located on the far left side of the event area as you face the Visitors Center from the road. No guarantee we will be there is time, but it's a safe bet.

From past experience a small pair of needle nose pliers to hold the nails (instead of your fingers) is a good idea. Some of the kids are pretty enthusiastic with a hammer.

We'll rotate members at the assembly benches so that everyone who wants to help with the builds will have plenty of opportunity.

The event sponsor will provide folding tables and chairs that we can use to stage the kits, but to be on the safe side you might want to bring your own folding chair to relax in while you're not working.

Warren Dufrene will be there early to set up tables.

There will be plenty of free food and beverages, music, and displays to enjoy.

Please be sure to check in with your birdhouse kits and sign the attendance sheet. We will have an area set up for this purpose.
